TD Banking Policy

Good day! I'm writing to understand and possibly report, a miscommunication on the account ending in _____ in a dispute over, overdraft fees reset on said account for the purpose of charging access per your policy of \$2.00 per day.

The account was overdrafted in the amount of \$0.68 cent and said account, was not in question of the law, consequence of overdraft balancing and was not borrowed for the purpose of giving the TD Bank the allowance, to make a civil claim, criminal tort or insurance claim (for accounting purposes) upon my signature.

Because of this, the circumstance can be reported as i'm sure TD Bank or its Affiliates and Associates know the 'framework' of ill-gotten insurance claims on debts, compensated by the Banks unilaterally for the commencement of "continuing common practice" without question of the law or the transmitting utility of TD Banks financial habits to pledge said debt as a assets (on your books) and sell with the insurance guaranteeing the satisfaction of my reception to pay-to-play!

This isn't a threat but, a cease and desist letter in regards to Article 1, Section 9, Clause 7 of the US Constitution (also, attached: <http://www.heritage.org/constitution/#/articles/1/essays/67/appropriations-clause>) where a "consequence" (and possibly fraud if, audited) could be commenced against TD Bank where, a Miranda Warning had been given with the full force of the law and its signers, thereof.

I expect, the account ending in _____ to be "settled" and the TSA (known as the "Treasury Single Account") held with a Insured Deposit Account Agreement made between TD Bank N.A.'s very own Stephen J. Boyle (known as the "Financial Officer"), TD BANK USA, N.A. Suzanne Clermont (known as the "President"); TD AMERITRADE, INC, TD AMERITRADE CLEARING, INC. and TD AMERITRADE TRUST COMPANY William J. Gerber (known as the "Chief Financial Adviser" and "Trustee"); and THE TORONTO-DOMINION BANK Alan Jette along with **EVERY** Customer and all Master Accounts at the Depository Institutions.

Thank you and I hope, to hear your agents in which represent the Master Accounts at the Depository Institutions balance the book entries made, received and deposit the same as of the date of entry and send a statement balance module to my location of this application.
