

NOTICE & DECLARATION
I REVOKE, RESCIND, CANCEL, VOID AND DO NOT CONSENT TO
ANY POWER OF ATTORNEY I MAY HAVE AUTHORIZED
I DECLARE & CLAIM ARTICLE III COURT JURISDICTION AND DIPLOMATIC IMMUNITY

If you do not know what this is, then verify with your supervisor if they wish to be responsible for your actions before making an unauthorized legal determination which may place you, your supervisor and your principal (Secretary of State) in an Article III impeachable felony situation which is treason

You were in violation of your job and oath of office the moment you declared an emergency by turning on the red lights to stop me which is a felony when there is no emergency

By interfering in my Right To Travel you are violating the constitution of the United States becoming an impostor in office and an outlaw employee committing fraud by taking wages under false pretenses

Any decision on your part to continue after advisement will place you in jeopardy and possible penalties under full commercial liability in your, your supervisor's and principals' public AND private capacity

The implementation of codes, rules, regulations and statutes are nothing more than ex post facto law absolutely forbidden by the united states constitution and the state constitutions to which you swore oaths to uphold

It is Gross Negligence to fail to distinguish between a statute and a law

Jones vs Counce 7-F3d-1359-8th Cir 1993; Benitez v Wolff 985-F3d 662 2nd Cir 1993

In Common Law, which is the law of the land, am I lawfully required to answer your questions?
An answer of yes means you are committing fraud whether you are aware of it or not and you must now provide me with your full name and bonding information so I can contact Risk Management to report this crime
I'm your employer - I'm your boss - You serve me - I don't serve you - I don't want you to lose your job

"The Fifth Amendment provides that no person shall be compelled in any criminal case to be a witness against himself. The Amendment not only protects the individual against being involuntarily called as a witness against himself in a criminal prosecution but also privileges him not to answer official questions put to him in any other proceeding, civil or criminal, formal or informal, where the answers might incriminate him in future criminal proceedings."
