#### INSTRUCTIONS

This is used for verification, that a corporation has not been created that would allow you to be brought into a court under the assumption that you were involved in commerce and that you are representing a Corporation, which happens to be spelled the same way you spell your real name, but the name is spelled with all capitalization –

Like - JOHN D. SMITH.

Add a Certificate of Service before filing in court.

The original is filed with the court clerk, a copy to the prosecutor and a copy for you. You file it at least 10 days before the pretrial.

Line 1: Where you put the cause numbers of the case.

Line 2: Put either 'Municipal', 'Justice of the Peace' or County.

Line 3: Put either 'In the City of (whatever City)', "Precinct (whatever number)" or "(whatever county Court it is – like – At Law #11)

Line 5: Put whatever county the court is in – like – "Galveston".

Line 6: Put your name in Upper and Lower Caps.

Line 7: Put your name in Upper and Lower Caps.

Line 8: Your name in all CAPITAL letters, like the way the court puts your name on their paperwork as defendant.

Line 9: Sign your name in front of a Notary and under the line Print your Name in Upper and Lower Caps, then your address under your name.

Let the notary fill out the rest.

Create at least two original documents, one to be filed in court and one to keep. Make 2 copies of the original you file in court, one copy to the prosecutor and one copy for you to have filed stamped, by the clerk of the court, for yourself. Do NOT file the instructions with the Affidavit.
