**NOTICE OF PROTEST FOR NON ACCEPTANCE**

NOTICE TO AGENT IS NOTICE TO PRINCIPAL NOTICE TO PRINCIPAL IS NOTICE TO AGENT. VALID RESPONSES MUST BE RECEIVED WITHIN 15 DAYS AND BE REGISTERED IN THIS NOTARY PUBLIC OFFICE UNDER OATH, BOND, AND FULL COMMERCIAL LIABILITY.

Dear

I am writing this notice of Protest for Non Acceptance, under seal, in a formal statement, to advise you that a bill of exchange was on \_\_\_\_\_, presented for acceptance, and that such acceptance was refused. The notice sent on \_\_\_\_\_ was verified received by your signature via certified mail return receipt on \_\_\_\_\_, and fifteen (15) days were given for acceptance.

On \_\_\_\_\_, Notice of Dishonor was presented and held for collection also, and that notice was served by this Notary office to advise you that you had dishonored a bill of exchange, which was verified received by certified mail return receipt on \_\_\_\_\_. This FINAL NOTICE, Notice of Protest For Non Acceptance, is to advise you again that this Notary office is holding for collection a bill of exchange presented for acceptance, and that acceptance has been refused.

You now have another fifteen (15) days to accept the bill of exchange and all original notices related, and they can be accepted in this office, either in person, or by certified mail, by registering a notarized response in this office, in the fashion stated. Please be aware that should you fail to accept the original bills of exchange and register a VALID response that a declaratory judgment of permanent estoppel will be entered against you and that will forever create a shared understanding in the matters referenced in the notices. ALL points not refuted will be assumed as fact and this will be irrevocable.

Again, VALID responses must be under oath, bond, and full commercial liability, and received within fifteen (15) days from the date this notice is received. Thank you very much for your time and cooperation.

Sincerely,

Notary
