Re: Tort Claim Notice

Dear Ms. Jennifer N. Herman:

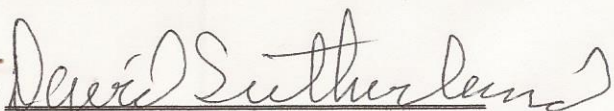

Thank you for your Fast Response to my Notice of Claim.
The purpose Of this Notice is to allow The City of Savannah To conduct a investigation as to My claim, in order to Cut the cost of Litigation. In the reading of your letter it looks like you need some help in order for you to Do your investigation , so I have enclosed A simple time line of the events leading to this claim as follows.

As for Citation # 357589 # 1 # 2 # 3 in order, of dates, As per citation # 3576603 # 4,# 5, # 6 two pages in order of dates.

AS to your Matter of legal merit which I find interesting you seem to think , there is merit in Magistrate Judge Smith silly rant in his order, Judge Smith is the Courts Gopher, so if you intend to use his words as a Defense to any claim I will bring . I do think it would be a waist of your time, just as a Legal Matter.

Since you did bring it up on the Federal case , Please take Note I will be Filing a new claim in Federal Court. Please Be advised , FRCP rule 11 (c) (3) does apply to Attorneys to.

The Tort Claim Act Gives 30 days to settle any claim I will wait to hear from you until July 31st.

Respectfully 

David Sutherland
