Re: Your account #DN 4136811 (Southside fire/EMS Mercy Ambul.)

A collection letter was received from your office.

You are hereby in receipt under the authority of the Fair Debt Collections Practices Act regarding your above referenced file number that part, or all, of the alleged debt is Disputed and hereby demand validation and verification, in writing, as follows:

- 1). A copy of ORIGINAL signed contract and other supporting documentation that gave Rise to the alleged obligation Southside fire/EMS is claiming.
- 2). Statement, under perjury.
 - A). that your client is the bona fide party in interest of the contract (without) duress or fraud will produced said ORIGINAL signed (# above) for my own and a judges inspection should there be a trial to contest these matters.
 - B). the name and address of all persons, corporations, legal firms or anyotherparties and entities having a interest in the collection or legal proceedings regarding the alleged dept.
 - C). that as a debt collector you have not purchased evidence of a debt and are proceeding With this collection activity solely in the name of the of the original party.
 - D). that you know and understand that certain clauses in a contract of adhesion are unenforceable unless the party to whom the contract is extended could haves selectively Rejected the clause.
 - E). and provide written verification from the stated creditor that you are authorized to act On their behalf in this dept collection action.
 - F). That Southside fire/EMS has taken reasonable and prudent diligence to verify that the amount claimed owed is in fact a legitimate dept prior to instigating this action and making said claims, and that all relevant correspondence has been reviewed ptior to initiating this claim.
- 3). Production of the account and general ledger statement showing the full accounting of The alleged obligation you are attempting to collect from me, signed and sworn by the person responsible for maintaining these records and having first hand knowledge as to their accuracy and authenticity, and able to testify under oath to that effect.

Contacting me again after receipt of this notice without providing procedurally proper Validation of the alleged dept constitutes a scheme of fraud by advancing a written that you know or should know is false, with the intention that courts and/ or others rely on the Written communication to impair or damage my credit rating, my reputation, my standing in the community as well as intentionally inflicting financial and emotional harm upon me. I take this notice, and my rights, very seriously and expect Southside fire/EMS to do the same.
