To who this will concern,

REF: Medical service 12-11-05 (account no. JO16607251c) and 4-23-07 6-29-07 (acct. no 3692 for both bills)

In referenced date of 12-11-05 I was a inmate of the Chatham County Jail. The April dates of 2007 I was a inmate of the Chatham County Jail. All these dates were for medical care for a heart condition.

The proper party to be billed for these services would be The Chatham County Sheriffs Department Chatham County Georgia.

Your company sent these bills for collection to : **PSG PO Box 61295 Savannah Ga. 31420** for collection.

Let me point out the GA. Law for who is liable for these bills;

In GA. O.C.G.A 45-5-2a states **it shall be the responsibility of the governmental unit having physical custody of a inmate furnish that inmate needed medical and hospital attention. Barcode 42-5-50 also states shall also bear any costs who is in the physical custody this code also applies to any follow up care.**

With this I demand that you remove the collection charge from PSG or any other collection reports made to debt collection companies.

I have enclosed copies of the bills.

Respectfully David Sutherland
