In his resignation speech, Hagel mentions Marty Dempsey in order to quell the rumors that Hagel was court martialing Dempsey for treason under U.C.M.J. 104, 50 U.S.C. § 698. Hagel will serve until his successor is confirmed in the US Congress. Meanwhile, the Secretary of the Army is in charge of safeguarding the nation's money under Lincoln's General Order 100, the Lieber Code.
