Ref; Traffic Stop,

On June 4<sup>th</sup>, 2015 While traveling on my Bicycle, I was stopped and detained ( Arrested)  
By Ofc Daniel Newman pr# 61841 pt 1 assisted by ofc A. Slugg pr# 11423 pt 1, Both  
Employees' of the Savannah Chatham police Department with out probable cause,  
Citation enclosed

Let me point out to you as The Chief of the Savannah police Department, YOU have a  
Duty to insure The Proper Supervision, Training Hiring of all your employee's.

In the traffic Stop by these two Employee's it was Clear to Me that Neither one of these  
Officers had any Knowledge of the State laws of George (OCGA) . There actions as far as  
enforcing any traffic laws , are a result of improper training.

For your information;

1. OCGA 40-3-263 does not exist in ant code of Ga.
2. OCGA 40-6-291 (b) States Any person traveling on a Bicycle may **RIDE**  
**Upon a paved shoulder;**
3. OCGA 40-1-1 (25.10 A low speed Vehicle, means.. Any **Four wheeled electric**  
**Vehicle/**
4. OCGA 40-6-370 The provisions of this chapter and the definitions contained in  
OCGA 40-1-1 Shall be applicable and uniform throughout this state and in all counties/

Also please take NOTE, a mistake of law cannot provide **REASONABLE SUSPICION**  
**OR PROBABLE CAUSE** To justify a traffic stop Therefore The stop was Illegal..

Please take necessary action in correcting your training of traffic enforcement' Offices

Thank You

David Sutherland
