DA'S OFFICE

Mr. Larry Chisolm,,

On December 17, 2009, I sent to your office a Open Records Request. I received A response by mail on December 28, 2009. I did after that date review the files that your office claimed was a complete file unknown to me at the time, the files given for my inspection were not a complete file.

In September 2012 I sent a second request ,for the files held by your office, I received a letter on September or about April 15, 2012, from the Superior Court Clerk, Verdell Wright in response to a records request. Attached informing me that your office has control of the records I have requested (Grand Jury).

It has become clear to me that your office is either incompetent or are withholding records in order to prevent me from discovering, the malice used to prosecute me.

I demand that, the requested as to the grand jury be provided to me, if you can not provide these records please explain in detail the reasons why they can not be provided.

I expect a reply from you within ten (10) days of receipt of this letter. If no answer is received in that time, this will act to you admitting to your roll 18 USC 241-242 Rico.
